PLEASE NOTE:

Given the frequent fluctuations of the South African Rand against other major currencies, and the historical drought affecting the country's agricultural industry, our food, and beverage prices are subject to pricing updates up to 30 days before the reserved event dates. Pricing updates may be necessary to take into account unforeseen inflation, caused by cost variations on imported products, and supply shortages experienced with local produce.

Menu options include a specific food allocation as per the applicable menu. There will be additional charges for any additional food items ordered.
