What Others Say About Debbie and Her Events

"Personally, I must admit that Debbie's interventions have certainly brought about a change in me. Whether it is handling conflict, dealing with difficult situations or my personal life, much has changed. During the last session, Debbie asked a few of us how the sessions impacted us and also asked me specifically. I remained silent because I didn't know where to start. And if I did, we would not have had time. Much of her teachings resonate with me and I try to remember them and then live them in each situation."

N. Kissun, CFO, Corporate, South Africa

"This is the breakthrough I have been waiting for, for my department!"

CEO, Corporate, South Africa

"Debbie is an excellent speaker that speaks from her heart and comes well-prepared. She keeps the audience captivated and delivers her message with a smile and with style. I can honestly recommend her without any fear that she would disappoint anybody that might hire her to coach them."

Esme van der Merwe (President, Johannesburg Chapter-at-Large at IAAP)

"I have had the privilege of being on the receiving end of Debbie's talks. She bubbles with enthusiasm and her passion and love for what she does shines through and is infectious. She tackles each new step and challenge with vigour and always has a smile on her face. She is a true inspiration to everyone she comes into contact with."

PROGRAMS

UNIQUE LEADERSHIP SOLUTIONS

A leadership course over the period of 4 – 12 months, presented for the first hour at corporate executive or team meetings. The course material includes a combination / choice of other seminars (*).

LEADERSHIP GOLD *

Leadership Gold brims with nuggets of wisdom accumulated by John C. Maxwell during 40+ years of studying, practicing, and teaching leadership and contains only his “best of the best” leadership insights.

DARE2GROW *

In nature, when anything stops growing, it dies. It's not different for human beings. If we stop growing, our dreams, our careers, our relationships and even our spirits could die. So is it really necessary for you to grow? How should you do it? What would the impact on your future be should you decide not to grow?

EVERYONE COMMUNICATES FEW CONNECT *

As a leader, it's not enough just to work hard. It's not enough to do a great job. To be successful, you need to learn how to communicate in a way that connects with others. You will learn principles and practices to equip you to communicate at a level that runs far deeper than words.

BECOMING A PERSON OF INFLUENCE *

Everyone influences others. Through these sessions you will learn that no matter what your goals are in life, you can achieve them faster, you can be more effective, and the contribution you make can be longer lasting if you learn to develop your influence.

PUT YOUR DREAM TO THE TEST *

You will be asked ten powerful questions to determine how your dream can become reality. Perhaps for the first time, you will have specific steps (a “Dream Map”) you can take to stop merely thinking about your dream and start living it.

BECOMING A PERSON OF VALUE

How would you like the people in your life - spouse or partner, children and also your colleagues and boss - to value you more? This LIFE-CHANGING session will encourage you to take control of your life in a way you never thought possible. Your relationships - private and professional - will be impacted as you learn how to add value everywhere you go.

HOW TO BE A REAL SUCCESS *

People are inspired by and desire to be like great leaders yet become overwhelmed by the perceived knowledge needed to learn the skill of leadership. The objective of effective leadership is not to create more followers, but to create more leaders. Through these sessions, you will learn how to develop your team to become a “leading team” in your company.

THE WINNING TEAM

Would you like a motivated, winning team? Would you like your company to refer to your team as the "example team" - the team with not only the best attitudes and enthusiasm, but also the team who delivers results? This breakthrough seminar was designed with your team in mind! Take them to the win!

YouthMAX is a must for all the high schools in our world today!
